Step 1 We admitted we were powerless over alcohol—that our lives had become unmanageable.

Tradition 1 (Short Form) Our common welfare should come first; personal recovery depends upon AA unity.

Concept 1 Final responsibility and ultimate authority for A.A. world services should always reside in the collective conscience of our whole Fellowship.

Personal Story— A Simple Program for Complicated People	Page 1	<h2 style="text-align: center;">A Simple Program for Complicated People</h2> <p style="text-align: center;">Living by the Dictates of my Conscience</p> <p style="text-align: center;">Rick R</p> <p>“Desperation” has been the great motivator for me with respect to the thoroughness that I have applied since the day I surrendered and came to Alcoholics Anonymous (A.A.) searching for solutions to my out-of-control drinking problem. Not everyone that comes to A.A. has that degree of desperation and that, I believe is the difference in the various degrees of success we, as individuals, have when it comes to abstaining from alcohol. The reality is that not everyone gets it on their very first attempt. With time comes understanding, and once I got beyond the initial stages of recovery it became clear to me that alcohol did not cause my problems, although it eventually become a problem. My mental and emotional troubles started surfacing long before I ever started drinking and I now realize that the drinking masked most of my mental and emotional difficulties for a long time but, as it happens, my tolerance for alcohol started to dissipate and the heavy drinking became an obvious problem. I failed at marriage, jobs, friendships, parenthood, and trust with just about everyone that knew me. I burned so many bridges that, finally, I had no place to turn and by some miracle, I woke up one morning, and with no other options, I desperately called A. A. for help. I was finally ready and from that day on, over fifty-three years ago, I have never wanted a drink since then. The obsession to drink has never shown its face again but had I not recognized the reason that drinking seemed to work, in the early days, or that the mental and emotional problems would be exposed when I stopped drinking.</p> <p><i>(Continued on page 5)</i></p>

(A Simple Program for Complicated People, *Continued*)

They would need to be addressed if I was ever going to be at peace with myself and with the world around me. I feel fortunate that, from that very first day, I have not been in denial about my condition and have embraced what I recognized to be the solution to my disease and the pathway to a future of the contentment that I enjoy today as the result of *that thoroughness* that I have applied to every facet of my life. I had to relearn how to be a husband, a father, a brother, a friend, an employee, a neighbor, a partner, and a citizen. I had to become an asset and not a liability. I had to question my motives for everything I did and assure that I stayed on the unselfish side of the ledger. I found it helpful to revisit the spirit of the things that I learned as a child in church, in school, and in the Boy Scouts, and apply them where the selfish and dishonest habits had ruled my life. I came to understand how my Ego had taken over all my mental properties and I had to let my Conscience slowly regain control of my virtues. The A.A. program was there when I was ready to throw in the towel and it helped me to recognize all of these changes but it doesn't go into detail about how to meet these noble goals of how to be a good husband, father, and friend, so I had to learn from other experienced sources the details of these neglected issues and go about reprogramming my inner self to incorporate all these components of right living. These things take time, and they do not happen overnight, but I could not let that stop me from beginning this new journey and giving me a purpose for living. I am extremely grateful that the A.A. program was established just in time to be available to save this broken spirit and turn it into the person that I am today as I *override my Ego and simply live by the dictates of my Conscience.*

NEEDING HELP!

This is a great

12-Step Service opportunity!

Central Office operates a 24/7 hotline for Alcoholics and Family members who need help.

Once the Central Office closes, the After-Hour Phone Committee volunteers answer calls while the office is closed. We need help with

Phone and 12-Step Call List Volunteers.

- Most phone volunteers only have one shift per month ranging from 3 – 4 hours.
- 12-Step-Call Volunteers could be called upon to assist the phone volunteers with carrying the Message to callers.

This is a great way to be of service!

We are looking to create a waiting list for future After-Hour Phone Volunteer openings.

If you have any questions or are interested in being one of these Volunteers, please contact **Phone Chairperson Laura C. (760) 271-1739.**

Also, we hold a monthly Zoom Learning Session for Phones and 12-Step Call Volunteers

When: 3rd Saturday of each month

Next Sessions: JAN 21st & FEB 18th

Time: 1:30 p.m. – 2:45 p.m.

If you're interested, please contact the Central Office at (760) 758-2514 or Laura C. at (760) 271-1739 for more information.

Business Committee 12 Steps Idea Flyer

Attention Groups

At the January intergroup meeting, the business committee explained that Central Office has excess funds in its checking account. Guidelines say that when excess occurs, we need to present an action plan to lower the surplus.

We are looking to groups and members for ideas on how to achieve our goals of helping the alcoholic who still suffers. We know that the Business Committee does not know all ways to reach someone that needs our help and are looking to members for new ways to be there.

Here are some ideas presented, please add your ideas to list. Please use ASK picture icon on Intergroup website, ncsandiegoaa.org, to submit suggestions.

Ideas for 12 Business Committee regarding surplus of Central Office funds.

1. Lower prices of certain books: Big Books, 12 & 12s, etc.
2. Purchase x number of Grapevine/La Vina subscriptions for North County physicians, clergy, mental health professionals, or others who come across people with drinking problems.
3. Host separate breakfast or lunch events for clergy, lawyers, doctors, military, mental health professionals, police, etc.
4. Underwrite the distribution of pertinent literature to school nurses/social workers/teachers, etc.
5. Distribute and regularly re-stock pamphlet distribution to non-profit health care clinics throughout North County. This might involve collaboration with the North County Spanish Central Office.
6. Contact the North County LGBTQ Center to get on the radar for PRIDE next year. I believe there is also a PRIDE event in Escondido, and possibly in other North County locations.
7. Place a communication in the READER, THE PAPER, COASTAL DISPATCH, MILITARY TIMES, and other publications are widely distributed in North County.
8. Central office speaker meeting with adjustments to make it more public information focused.
9. Meet with NSDYPAA to discuss getting young people involved in 12 step ideas and new ways to reach younger people.
10. Workshop to discuss safety in meetings for new members. This includes sexual advances as well as members taking advantage of financial issues of new people. Signs for old-timers notice and intervene.
11. 12th Step workshop to have members learn and discuss service opportunities in AA.
