**Step 10**—Continued to take personal inventory and when we were wrong promptly admitted it.

**Tradition 10**—(Short Form) Alcoholics Anonymous has no opinion on outside issues; hence the AA name ought never be drawn into public controversy.

**Concept 10**—Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.

### The Tenth Step Acid Test Principles to Live By

By Rick R.

Each of our steps takes a certain amount of thoroughness but for most of the steps, it seems we will be working on them for the rest of our lives as they involve practicing principles that we have incorporated into our day to day living experiences, and after the Ninth Step has been given due diligence, we can go on to Step Ten. This is not the time to rest on our laurels. Having put a little time between us and our last drink required a lot of effort, and it would be a shame to lose interest in the growing process at this time. My ego is always ready to move right into those empty spaces when I vacate my growing efforts.

My approach to Step Ten was confusing at first, as I thought I was going to be running around with a clipboard for the rest of my life, and I didn't like the idea of credit and debit lists and penciling out things, but I tried it for a while, and I still didn't like it. I couldn't see monitoring myself on every face-to-face verbal transaction and running around apologizing to everyone that I may have made a mistake with. That was my first impression of step ten. What I discovered was that the tenth step is a framework for the upkeep and maintenance of all of the previous nine steps, and as I incorporated those principles into my value system it made me aware of my mistakes and it became easier and easier for me simply because the more I live by unselfish, proven principles, the less mistakes I make, and the easier it became to right those mistakes on the spot.

Please use the Ask It button on our website [ncsandiego.com](http://ncsandiego.com) if you have any ideas about how we can carry the message with our surplus funds.

#### **New Business:**

Sean T, who is chair of ACYPAA Committee attended our Business Committee Meeting to ask us if we would help fund an event that will be at ACYPAA but not part of ACYPAA. Sean is also going to the Area and the San Diego Central Office for the same request.

The Business Committee voted on changing the unbudgeted expenditures in the guidelines and procedures under Fiscal Responsibility from 500.00/mo. to 600.00/mo. and changing the 5,000.00/yr. to 6,000.00/yr. in the NCIA Guidelines. This requires the Intergroup approval. The Reps will take this proposal to their meeting for the next 3 months, vote on the change and bring the votes back to the Intergroup meeting in December.

Questions: Contact [Chairperson@nchandi.org](mailto:Chairperson@nchandi.org)

When I first heard the term, "cash register honesty", it meant more to me than just being honest with a cashier. It meant that I had to stop taking advantage of everyone. That is a principle to live by. Since I started on this journey, I have wanted to be free of all the sick feelings I had about myself and, at first, I couldn't find anything in the Big Book or the 12&12 that I could sink my teeth into. The one thing that came close was the term: *sins of omission, but that was too direct*. I was looking for a broader term that would have covered the things that I was unaware of. All my life, under a mountain of misdeeds and inappropriate behavior was the word **NEGLECT**. I then Googled it and found it twice in the Big Book (pg.97 and 129) and twice in the 12&12 (pg.81 and 151) but I don't think I ever saw it addressed as seriously as all of the other major defects are, but it was *major for me*. I discovered it in the process of doing the tenth step.

To set the tone for my day-to-day activities I start by making my bed when I get up in the morning. By doing this I am making a statement that I won't be neglectful, irresponsible, lazy, etc. If I am at the market, I'll find a stray cart and return it to the rack, just to make up for all the times I pushed a cart into the flower bed and fled. The acid test is how diligent I am at continuing these exercises in selflessness until they become second nature. You may have your own way of giving back to make it right and these things cost us nothing, but if I'm willing to do them, it's a cinch I won't be ripping anyone off today. It helps to have a clear conscience and it may be what a good role model should be doing. I want to be quick to address my mistakes, for we know that nobody's perfect, and I don't want to miss the spiritual boat. Now it all comes down to *going through each day without doing anything I regret*, and I hope I pass the acid test.

"The experience gained in the Archives project has widened and deepened our original faith that one of the best ways to assure the future of the AA Fellowship is to nurture its past.

Our primary purpose remains, of course, to carry the message to the still suffering alcoholic. We can never become merely custodians of A.A. history. We can, however, within the context of the whole range of A.A. services, renew our own sense of purpose by collecting and preserving the rich and meaningful heritage of our past."

G.S.O. Archives

By the way, Do YOU remember those great Wednesday Night Meetings at this very same location?

This map is copied from the ROOTS flyer in the 1990 October Coordinator Newsletter

## Area 8 Archives Committee

Area 8 Archives Committee was voted into existence in 1985. Our purpose was the same then, as it is now. "To collect preserve and share the history and heritage of AA in San Diego and Imperial County." In 2005, Central Office offered their old printing room to be used as the new Archives Room where the protected Archives collection of early AA San Diego history. The prized possession is a Big Book signed by Bill Wilson.

The Archives committee has achieved excellence in the collecting department!! So much so that Archives has a storage unit of filing cabinets full of material collected since 1985. Books, tapes, flyers, magazines, photos, meeting records going back to 1954, Central Office business documents, H&I committee documents, PRAASA documents, Spring Roundup documents, donations from past delegates, documenting their journey. How do we go about sharing this in an organized fashion? The next indicated step seems like an inventory is in order. The Archives Workbook, which is consulted regularly, leads us through the steps of creating an inventory.

Over the last few months, we have started the inventory. Our committee members have spent hours in the Archives Room in Central office sorting the old newsletters (Viewpoint, Coordinator, etc.) dating back to 1954. Another committee member has the task of transferring the old audio tapes of speakers and events into an MP3 file. Our goal is to digitally preserve so materials can be saved and cataloged and made available to AA members.

Archives Committee hosts a table at the SD Spring Round Up Archives display and we host the Annual ROOTS meeting. (Remember Our Old Timers' Stories). This year 4 speakers, each with over 40 years continuous sobriety, will share their experience, strength and hope on getting sober in the San Diego area. The event is a tradition and a way to celebrate the longevity of AA and the longevity of our Old Timers. This year's ROOTs will be held at the War Memorial Building and the flyer can be found here

[ROOTS 2023 flyer sh.pdf](#) (page 12)

Our committee currently has 8 members and we are growing. Anyone is welcome to volunteer for any of our projects. Feel free to contact our committee at [archives.area8@gmail.com](mailto:archives.area8@gmail.com). We're not a glum lot!
